A Living History Experience

Step back in time as you explore the museum's fascinating exhibits and ride into history aboard vintage electric trains!

- The museum showcases historic electric interurban trains, vintage streetcars, and the largest collection of Sacramento Northern Railway equipment in existence. All trains, streetcars, and trolleys are historic.
- Enjoy a 50-minute round-trip train excursion through the scenic Delta, offering plenty of time to soak in the nostalgia and beautiful views.
- Following the train ride, enjoy a docent-led museum tour and learn more about the history behind these remarkable pieces of transportation.
- Afterward, lunch is on your own in downtown Suisun on the waterfront. Explore the quaint town, choose from one of the many local restaurants, or bring your own lunch and enjoy it in the waterfront park.
 - Meet at Sebastopol Mt. Olive Church
 - Bus Departs 8:15AM | Return: 5:00PM
 - **Lunch is not included.**
